Dear Ms. Pringle:

On behalf of everyone at the Adult Learning Source, I would like to thank you for your recent contribution of \$3,000 from Zonta Club of Denver II to help fight illiteracy in our community.

There are over 400,000 functionally illiterate adults in Colorado -- including over 200,000 in the Denver-metro area alone! As you can guess, this level of illiteracy is enormously expensive for the entire community. At the Adult Learning Source, we can educate one student for one year for just \$300 -- a small price to pay to get people off welfare and into the workforce.

Your contribution helps to ensure the future of our community. Every penny that comes into the Adult Learning Source helps wage the war against illiteracy. We are committed to our cause, and we are greatly appreciative of your support.

Again, thank you for your contribution.

Sincerely,

Susan A. Lythgoe  
Executive Director

Dear Zontians:

I sincerely apologize for not being able to attend your last lunch meeting as planned. We have had to be very responsive to any request from the media for interviews and on that particular day, I was "it". The media attention has been overwhelming but at the same time it helps to promote our cause. We hope that the Simpson tragedy will remove some more blinders in our society.

I cannot thank you wonderful Zontians enough for all you have done for SafeHouse. Your major sponsorship for the race was a great boost to the event, to say the least. I am also grateful for all you have done as volunteers for this organization. You are a group of women truly dedicated to improving our community.

I hope you plan to continue your relationship with SafeHouse even though we cannot currently provide you with a member/liasion, such as, Gail Lorenz. We value your relationship a great deal!

If some of you would be interested in helping with yet another bulk mailing we are planning one on July 27th. I will call with mor information.

Sincerely,

Cindy Carioti

Dear friend:

The Denver Women's Commission would like your help with our most recent project. We have agreed to serve as one of the 200 "program partners" with the U.S. Department of Labor Women's Bureau for their Working Women Count questionnaire. The survey will document the views of working women and their assessment of any barriers they face. The Women's Bureau will give copies of the report to Congress and the President. From the results, they and local partners like us can design programs or public information efforts that fit the identified needs.

Enclosed are two copies of the survey. Please return one of the surveys for yourself and use the other to copy for members of your organization, co-workers or friends. **(Please answer all questions and do not alter the survey, so that the tabulation can be consistent.)** Mail completed forms back to us by **August 20, 1994**. If you have already received a copy of the survey from another local partner, do not complete another survey.

If you have questions, please contact DWC Director Chaer Robert at (303) 640-3955 voice, 640-3132 TDD. Thank you for your help in making this project a success.

Sincerely,

Nan Flynn Butler, Chair  
Denver Women's Commission

The Board chose a white on white visor to have a royal blue insignia. A royal blue insignia will also appear on the golf shirt. The club is not committing itself to purchase these items, but samples will be made to get a sense of the market. The Board agreed that an issue to discuss at the April meeting is how to get rid of the sweatshirts.

If we get golf shirt sales, the suggestion was made to increase the price of the golf shirt to cover cost only of a T-Shirt and send a T-shirt with order as a bonus.

PRESIDENT'S CORNER \* Bonnie Bell \* 296-1999

Greetings!

It is hard to believe that this is my last letter. This year has really flown by. As I write this I feel a strong sense of nostalgia. I have had the privilege of serving on the Board of Directors of the Zonta Club of Denver II for 6 years. It is hard to believe that it is coming to an end. I want to thank you for the honor serving on your Board and most recently as your president. This club means more to me than you can imagine. I remain so impressed by the women of this organization and the accomplishments we achieve. I applaud each of you and thank you for the inspiration you have given me. The most valuable thing I have learned from this Club is that you never say never, if we work together there is always a way. That attitude I believe is what makes us so unique and what brought us to be the Philanthropic Organization of the Year for 1995.

I want to congratulate our Board of 1995-1996. If you were unable to attend, the new Board is:

President	Gail Pringle
First Vice President	Carol Hadd
Second Vice President	Susan Cole
Secretary	Kathy Dean
Treasurer	Terri Otley
1994-1996 Directors	Lorrie Reed
	Carol Johnson
1995-1997 Directors	Kathy Judd
	Joanne Herlihy
Alternate Directors	Heather Fox
	Debbie Hindin-King

I wish all of you the best of success for the upcoming year. I am sure that Gail and the new Board will do a wonderful job for you. I hope that you will give them as much support as you have given me.

Again, I thank you and I look forward to seeing you at the Installation Dinner.

Bonnie

To Benefit:

Produced By:

Dear Corporate Team Representative:

Thank you for volunteering as a Team Organizer for the Lady Foot Locker 5K walk/run, June 25, 1995, 8:30 a.m., at City Park in Denver.

With funding cuts coming from every potential funder including government, SafeHouse needs even more women and girls to participate this year. Our 1995 goal: 6,000 participants. We can reach it with you help. Corporate Teams make up almost half of the participants in this event. Your role as a team organizer for your company is vital to the overall success of this event, and we appreciate your commitment of time and energy.

Listed below are the Team Organizers' Responsibilities:

1. distribute registration forms to your company's employees, etc.
2. ensure forms are complete (corporate team, name, waiver signed, etc.)
3. collect all forms to meet registration deadline
4. get completed forms to your assigned Corporate Committee Team Leader
5. distribute T-shirts, bibs, etc. to your corporate team members

Here are other suggestions to get the word out about the Lady Foot Locker 5K

1. spread the news: a bigger, better event to benefit SafeHouse
2. put up a flyer in heavily traveled employee areas, i.e. coffee machine
3. write a short summary for club/employee newsletter
4. talk to management about their buy-in and support: will they make an additional donation to the event and/or will they consider paying some or all of the employee entry fees, matching funds, company T-shirt, etc.?
5. make sure every woman you know including relatives, wives, friends, etc. saves the date on her calendar..you don't need to be a runner, in fact, over half of the participants walk the 3.1 mile course!!
6. suggest that males get involved as volunteers

#### CORPORATE/ORGANIZATION TEAM CHALLENGE:

Recognition for teams: 50-100

100 and over

Please call me if you need any other information for your Company's team participation and sign-up activities. Thanks for your support and time for the 1995 Lady Foot Locker 5K Run/Walk

\* PRESIDENT'S CORNER \* Bonnie Bell \* 296-1999 \*

Greetings!

It is Election Time! I am enclosing a copy of the slate of officers for your review. Please make sure to attend the April Meeting at the University Club in order to vote. I think we have a great slate of candidates and I am excited to see a number of our newer members running. Special thanks to the members of the nominating committee, Candy, Carol, Gail Pringle and Sharon for your help in putting together the slate.

I'd like to congratulate the members of the Membership Committee, Susan Cole, Gail Pringle, Gayl Price, Olivia and Heather on a wonderful Membership Drive meeting. Your hard efforts paid off. We have proposed two new members this month, with more to follow. Thanks ladies. One issue to consider for the Retreat is how to increase attendance of guests at the Membership Drive Meeting.

We need to make a decision about a date and location for the Retreat at the April Meeting. Several suggestions have been raised including using Candy's cabin in Bailey and Gail Pringle has access to a Club House in Silverthorn (we would be limited to a half day however). Bring your suggestions to the April Meeting so that we can get this on the agenda.

The Joint Board Meeting for the old and new Boards of Directors will be on May 11, 1995 at my offices at 1999 Broadway, Suite 2305 at 5:00 p.m. There will be wine and snacks. Anyone who is interest is invited to attend.

Bonnie

Information deadline for the May newsletter is **Friday, May 12, 1995**. Thanks for your patience for the April Newsletter. I had a very bad week and so I appreciate your kindness. It is a good thing Kiki Gilliland has such a sense of humor since she was the "mystery" Zonta Profile. Actually it encourages me that you all read your Z-News. This month's edition should be more helpful!

The Third Way Center has been notified that several members are willing to help outfit the girls ready to enter the business world. Heather Fox has offered her help as fashion consultant in this project.

Many thanks to all the members who volunteered for the Hall of Fame Auction on the 10th of March and also the Auction to benefit SafeHouse on March 25th. A very special thank you to Terri Otley, Sue Burch, Emma Hanson and Joanne Herlihy who were there with me to the bitter end. Talk about Zonta Dedication!!!!

The Adult Learning Source Graduation is Thursday, June 1, 1995 beginning at 5:30 until 9:00 p.m. Come early, stay late or help us for any time you have available. Bring your "significant other" or older children to help. It's a lot of fun and a wonderful opportunity to learn about the good work of ALS! Be sure to contact Mary Moser (830-2400 or 979-8105) if you can help. This is a great project and one that we need to have members support.

ALS will participate in a Cooking Classic on May 18. Silent Auction items are needed to help ALS in its fundraising efforts. If you have items or know of a source for a donation, please call Rhea Brown at ALS, 394-2253.

ALS will hold its second annual yard sale on Saturday, June 10th on campus. If you have household items, garden tools, furniture or other items to contribute, please call Cynthia Nelson at ALS, 394-3464. Pick-up will be available.

Make a note of Sunday, June 25th for the Lady Footlocker Race. We have been asked to run the water station again. Also to help with registration for the race at some Lady Footlocker stores. Probably about a two hour stint. More information to follow!

If you can help or have questions, please give me a call 698-3838. Remember those service hours!

**ZONTA AND THE UNITED NATIONS**  
**Sharon Faircloth - District XII Chair**

Zonta has worked with the United Nations nearly since their inception in 1945. Because of the international nature of the organization, they worked their way up quickly in the hierarchy and achieved "Consultative Status" in the ECOSOC (Economic and Social Council), UNICEF, UNESCO (United Nations Educational, Scientific and Cultural Organizations) and ILO (International Labor Organization).

Consultative Status means that we have input in position papers, agenda items, representation at meetings and conferences and make recommendations on issues based on knowledge or expertise.

Up until 1972, Zonta members contributed approximately 6-8% of their service funds to international projects, primarily to the Amelia Earhart Scholarship Fund. Our International President at the time, Sylvia Yeckel determined her biennium's slogan to be "My home is the world: My family, mankind." With that in mind, she declared that, "Service has no geographic boundaries and that certain human problems were of worldwide concern " so it was resolved that every Zonta Club would have the responsibility to support monetarily and serve through personal service projects of its own communities but also those international service projects directed toward the world community.

President Yeckel's goal was to increase contributions from the 6-8% range to 25%. Today, our clubs are asked to contribute one-third of their service funds to international projects. Sylvia Yeckel was honored last summer in Kansas City for her 40 year commitment to improving the status of women. She was awarded the First metropolitan Women's Roundtable Distinguished Leadership Award.

UNIFEM was created in 1977 by the General Assembly of the United Nations to deal specifically with grass roots programs. It is funded in various ways -- through voluntary contributions from governmental entities, private citizens and non-governmental organizations (Zonta). The idea was to come up with projects for women that are conceived by those that the projects were meant to assist. The results were far more successful than when well-meaning groups came into countries with preconceived notions of what women needed and what would work for them.

Since 1986, Zonta has help fund Women's Development projects in Argentina, Botswana, Brazil, the Comoros Islands, Egypt, Honduras, India, Mexico, the Philippines, Sierra Leone, Thailand, Togo, Zimbabwe, Ghana, Chile, India and Bangladesh. Over 1.5 million dollars was contributed by Zonta members.

To give you an idea of the impact of these programs, \$1,000,000 was raised for the Sri Lanka water well project from 1982 through 1984. 350,000 people were provided with safe drinking water where previously there was none. In Africa, 88% of the rural women work in agriculture. In Botswana, 80% of a family's food supply is produced, processed and stored by women. One-third of all households are sustained by women. Statistics show that by helping 100,000 women, 400,000 children are helped. Imagine the work these women could do if they did not have to concentrate solely on surviving.

The Women's Silkworm/Mulberry Project in Rajistan, India provided women the mulberry plants to feed the silkworms. This project meant many families had the ability to rise above the poverty level and concentrate more on education and other economic pursuits.

These are just some of the projects UNIFEM has supported throughout the world. The projects for the current biennium are in Senegal, Guatemala and Central America. More information to follow on the details of these projects.

*ZONTA PROFILE*

The bright sunshine in the winter and the cool, dry air in summer made Denver seem like a miracle after spending my growing up years in Detroit, Michigan. I received a business degree from the University of Michigan, married Don McAlonan after graduation and two years later we were transplanted in Denver and within a year we vowed never to leave.

After being a "stay at home Mom" until our four daughters were grown up, I was ready for my career. I was a part time student at Arapahoe Community College and a session employee at the Colorado State Senate until I earned my Paralegal degree in 1981. I worked as a paralegal until my retirement in 1992.

It was through Terri Otley that I joined the planning committee for our club and was a charter member when our Denver II club was born. Like many others I was interested in giving back something to the community which had given me and my family such a good life. But I have found that the big bonus of Zonta is the friendship that surrounds us. My Zonta sisters were a loving support group and shared my grief when my husband passed away in 1987 and were an important part of my life during my widow years. Then, just three years ago they shared my joy when I found a new love and married Jim Gilliland.

Skiing was a major focus when my girls were growing up and we were fortunate to have a place at Breckenridge, but now it is travel, travel and more travel, plus grandsons, gardening and golf.

Our members are doing a great job on service hours. We have 13 signed up for the CSO Auction and 25 for the SafeHouse auction. which by the way I need a couple of camera buffs to take pics of people arriving. Actually it's real simple--there will be Polaroid cameras to use; aim, shoot and give the couples their pictures.

SafeHouse is getting their newsletter done out of pocket so to speak. Another volunteer group donated the money to have the project all done (stapled, sorted hauled to the PO) SafeHouse is wondering if this may become an ongoing project.

Lakewood Golden Zonta Club is greeting the Sunshine Kids (Kids with Cancer) at the airport and would like our help. March 26th, (they're coming) 9:30 a.m. til 12:00 p.m. and April 2 (they're going) 11:30 a.m. til 3:30 p.m. volunteers will be needed to help greet and keep kids together at the new Denver International Airport until they're ready to take off for a week of skiing. There is a party room and decorations also. Check your daytime and get in some service hours (Only 3 months left).

Mark your calendars -- Lady Footlocker 5K Race June 25th!!!  
Remember your Burma Shave Slogan!!!

*Adult Learning Source (for books)	\$3,000
*ALS for Graduation expenses (to be used for Estonia dues if not needed)	\$ 750
*Cancer League of Colorado (for hospice services and indigents)	\$1,000
*Colorado Uplift (for program services)	\$1,000
*Freedom Service Dogs (for training)	\$1,500
*UNIFEM	\$ 650
*Amelia Earhart Scholarship	\$1,390

**TOTAL \$14,290**

Other organizations discussed but not given any contributions were Warren Village, RAAP, Colorado Special Olympics, Third Way Center and Seniors Answers and Services. No funds were given due to other financial support and funding and in the case of the Seniors Answers and Services because they did not return their application. ## SERVICE COMMITTEE'S RECOMMENDATIONS FOR FUNDS 1995

### 1. SafeHouse Denver, Inc.

Last Year Amount	\$5,000
Requested Amount	\$5,000
Recommended Amount	\$5,000

A. The funds requested would be for a sponsorship for the Lady Foot Locker 5K Race. All benefits would be the same as last year with publicity, banners, logo on t-shirts, promotional pieces in the registration packet, news releases as well as other promotional materials.

B. The second proposal was to sponsor one publication of the newsletter. Currently reaches 15,000 readers with SafeHouse information. The funds would pay for printing, professional layout, postage and mailing services. Administrative costs are not included in request.

The committee felt that the first request was most beneficial for both SafeHouse as well as Zonta.

### 2. Adult Learning Source

Last Year Amount	\$3,000
Requested Amount	\$3,000
Recommended Amount	\$3,000
(Amount set aside for Graduation Usage)	\$ 750

The funds requested are for the purchase of desperately needed text books and other informational materials for the learning centers.

Our club is very involved with this organization and the committee feels that we should continue purchasing materials for the Adult Learning Source. An additional amount of \$750 to be put aside for the purpose of helping obtain items for their June Graduation. Our members are repeatedly asking for donations and we felt that we should have funds available to purchase items not donated.

### 3. Warren Village

Last Year Amount	\$ 0
Requested Amount	\$2,500
Recommended Amount	\$ 0

The funds requested are for an "Adopt-a-classroom" project. This project is designed to provide direct assistance to the children in the Learning Center by furnishing the curriculum materials, supplies and project costs for one year for the classroom. This room would be designated as the donor organization's classroom with a nameplate.

While this organization is providing many good services to youth, it's very heavily funded by Colorado social service agencies as well as major private foundations. The committee felt that our funds should go to organizations less well funded.

### 4. RAAP (Rape Crisis)

Last Year Amount	\$ 0
Requested Amount	\$ 2,634
Recommended Amount	\$ 0

The funds requested are for a women's self-Defense Program for 4, 12 hour courses which will be offered free of charge to approximately 60 indigent women and other

high-risk populations. The funds will pay for personnel expenses such as the salary of the program coordinator, the hourly wages of the instructors, and administrative support.

The recommendation of the committee is that we would rather fund a project than administrative costs. RAAP has very high administrative costs (\$218,563) and very high commission costs to canvassing persons (\$157,558).

#### 5. Colorado Special Olympics

Last Year Amount	\$ 0
Requested Amount	\$5,000
Recommended Amount	\$ 0

This amount is for the Fall Leadership Conference. This conference is an important forum for staff members, volunteers and family members to communicate and share ideas. Special training may be provided for new coaches, games volunteers or for family program volunteers.

This is another organization that is heavily funded. The suggestion from the committee is to continue doing the volunteer work. The funding of a leadership conference is not our purpose in distributing funds.

#### 6. Cancer League of Colorado

Last Year Amount	\$ 0
Requested Amount	\$2,000
Recommended Amount	\$1,000

- All donations go directly to research and services. Two programs are suggested:
- A. Breast Cancer Summit (UCCC) has developed methods to reach medically underserved women. Doctors care provides medical treatment for cancer patients who were without any other sources of funding.
  - B. The Hospice at Home Program gives extended hour assistance to patients whose care is denied because they are not covered by Medicare, private insurance or other financial resources.

The committee recommends the Hospice at Home Program as a worthy beneficiary of service funds. Cancer is a concern to all women and more so if a woman can't afford medical care.

#### 7. Third Way Center

Last Year Amount	\$ 0
Requested Amount	\$1,500
Recommended Amount	\$ 0

These funds will establish an account for the "Get a Life" group, which is part of our vocational training program. There is a great need to provide the necessary clothing which is needed for these girls once they have gone through the vocational program and get a job; it is essential that they have something decent to wear to the job. This will fund 15 girls.

While this organization is providing many good services to youth, it is over 90% funded by Colorado social service agencies. The committee felt that our funds should go to organizations less well funded by the state.

## 8. Colorado Uplift

Last Year Amount	\$250
Requested Amount	\$500
Recommended Amount	\$1,000

Request contribution to be used in conjunction with the October, 1995 Auction/Benefit dinner. All moneys received will be used for program needs including curriculum, after school activities and leadership training courses. Program to place minority high schoolers in summer jobs. Uplift began using the most successful high schoolers from the job placement program to teach 4th & 5th graders at an elementary school level. Currently in 3 high schools, 5 middle schools, and 5 elementary schools. 2,067 students participated in 1994. Benefit dinner is biggest fund raiser.

The committee feels that their funds are well used. The fact that they are using graduates of the program to help reach younger children is a great commitment. They receive no outside support other than donations and the program is working.

## 9. Freedom Service Dogs, Inc.

Last Year Amount	\$1,000
Requested Amount	\$ 0--4,500
Recommended Amount	\$1,500

The requested funds would go to pay for a partial sponsorship of a certified dog, which totals \$4500 per dog. The funds can be used for dog trainers, vet expenses or food or equipment for the dogs.

The committee felt that although this group did not affect as many individuals as some of the others, it was a very worthwhile organization that has absolutely no funding of any sort, other than private donations. This organization survives on small donations from individuals. This group is definitely a favorite of the Service Committee.

## 10. Seniors Answers and Services

Last Year Amount	\$ 0
Requested Amount	\$ 0----?
Recommended Amount	\$ 0

This organization would be willing to have any dollar amount of donations. There doesn't seem to be a well defined plan for the donations. A suggestion was for publishing a guide for senior services, but they have no definite plans at this time.

The committee feels that there is no structure nor the commitment at this time with this organization. The program is just a suggestion and feel the money would not be put to the best usage.

## 11. Unifem

Last Year Amount	\$650
Requested Amount	\$
Recommended Amount	\$650

This is an organization that we contribute to yearly for part of our international contribution. While most of our funds are distributed locally, we need to remember that we are a part of an international organization.

12. Amelia Earhart Scholarship

Last Year Amount	\$1,297
Recommended Amount	\$1,390

The funds for this donation are from the silent auction held at the Amelia Earhart Dinner in January, 1995.

UNDESIGNATED FUNDS:

The Service Committee left an amount of \$765 as undesignated funds. It was our feeling that these funds could be used as an emergency fund, such as SafeHouse Children programs. If no such emergency arises, the funds could then be distributed to whatever organization the club desires.

FUNDS DISTRIBUTED LOCALLY: \$12,350 (with \$765 undesignated)

FUNDS DISTRIBUTED INTERNATIONALLY: \$2,040

It is also the recommendation of the board that funds that are left from the amount set aside for the ALS graduation (\$750) be sent to the Estonia club for the balance of their dues.

February, 1995

Volume 9, Number 9

\* PRESIDENT'S CORNER \* Bonnie Bell \* 296-1999 \*

Greetings! I hope that you are well settled into the New Year and that you are planning on attending our disbursement meeting this month. We have the exciting task of allocating over \$15,000 in service funds, \$13,765.39 from poinsettias and \$1,390 from the Amelia Earhart Silent Auction. The Service Committee has done a fantastic job of putting together the proposal for disbursements. Special thanks to Candy and the members of the Service Committee for your hard work. Please remember that our February meeting will be a closed meeting for Denver II members only so that we can discuss our disbursements.

I want to start by congratulating the members of the Amelia Earhart Silent Auction Committee. Your hard work truly paid off. Special thanks to Susanna, Sue Burch, Candy, Jeannie,. This year over 14 members contributed items. Great job ladies! Also it was wonderful to see so many members from Denver II at the dinner.

Don't forget that March is our Membership Drive. Please get information about guests to Gail Pringle or Susan Cole so that they can get invitations sent out. Remember, we set a goal for every member to bring at least one guest during the year. This is a great time to do it!

It is time once again to start thinking about elections. We need to elect our Nominating Committee at the February meeting. Our proposed sale of officers will be read at the March meeting. As outgoing President, I will chair the Committee, a policy we started several years ago, but I will need some help. If you are interested in helping are unable to attend the February meeting, please let me know. Also, please start thinking about members you would like to see on the Board or in office as well as which positions you would be interested in serving in. I can tell you from experience that serving on the Board or as an officer is a wonderful experience and a great opportunity to be involved.

Don't forget to mark your calendars for the Area Meeting to be held April 8, 1995 at the Cherry Creek Inn. You will be receiving information in the mail.

On a sad note, Joan Gans is getting ready to start a treatment program for cancer. Joan, our thoughts and prayers are with you for a full and speedy recovery.

Bonnie

A Bachelor Degree with emphasis in instrumental music education was acquired from CWC. For five years, Debbie taught school in the Denver metro area.

Before settling into her present career as a Paralegal (six years) with the law firm of Faegre & Benson, work was involved with oil and gas industry as a land person. Experience has been in the areas of complex business litigation, employment and environmental law. Last fall, Debbie was involved in a five week trail in Ohio for a very high profile client which proved to be exciting and challenging.

Through Club member, Gail Pringle, she became a Zontian and has a strong desire to volunteer her time for community service projects. Currently, she has been Chairperson of the Lady Foot Locker 5K benefitting SafeHouse for the past two years. Debbie also has served on the volunteer committee and continues to work with the children in the evening at SafeHouse.

Candy Meininger (698-3838)

Mary Moser (830-2400) \*

We will be voting on disbursement of the service funds at the February meeting. All your hard work is being greatly rewarded.

**March 10, 1995** --- Colorado Special Olympics Hall of Fame Dinner & Silent Auction. This event will be held at the Hyatt Regency DTC. I need about 12 volunteers or more to help with this auction. 5:30 p.m. to 8:30 p.m. This is an event that we do every year and it's a lot of fun, not a lot of work and a great way to increase your service hours. The theme this year is "Tuxes and Tennies." So feel free to wear your tennies and be comfortable.

**March 25, 1995** --- Women In Cable Dinner & Auction to benefit SafeHouse. The event will be held at The Brown Palace Hotel. We need to set up the items for the auction as well as run the event. I need 3 or 4 volunteers at 3:00 p.m. to help and then about 10 more Zontians for the auction that night. 5:30 p.m. to 8:30 p.m.

**March 9, 1995** --- The Adult Learning Source has a limited number of seats available in the front center orchestra for a performance of "The Sound of Music" starring Marie Osmond on Thursday, March 9th at 8:00 p.m. A private cocktail reception will be held for patrons at the Denver Center for the Performing Arts beginning at 6:30 p.m. Tickets are \$100 each; \$50 of each ticket is a charitable contribution. For more information call Mary Moser at 830-2400 or 979-8105.

If you can help or have questions, please give me a call 698-3838. Remember those service hours!

Joan Gans needs our support. She is going in for treatment for cancer this week and needs to know we are there for her. A card would be a big uplift.

DENVER II

January, 1995

Volume 9, Number 7

\* PRESIDENT'S CORNER \* Bonnie Bell \* 296-1999 \*

I hope that you enjoyed the holidays and are progressing in the new year with renewed enthusiasm. Hopefully new or continued commitments to Zonta are part of your new year's resolutions. With all the organizing, dieting and budgeting, isn't January fun! Actually we have a lot of great things coming up this year and it is time to get back to work.

The Amelia Earhart Dinner is scheduled for Tuesday, January 17th at the Arvada Center for the Performing Arts. There will be a silent auction. This will take the place of our January Meeting so please plan to attend. We have a good turnout planned and I look forward to seeing you there.

Please remember that we have moved our spring meetings around. Our February Meeting will be our Disbursement Meeting and is our one meeting a year that is closed to guests. The Service Committee will be needing proposals for distributions in January so PLEASE let prospective recipients know that we have moved up our deadline. The Board Meeting in February will be a night meeting to consider the Service Committee's proposals. If you are interested in attending the Board Meeting it will be held at 5:30 on February 9th at my office.

The Membership Drive will be in March. Recruitment of new members is important to our continued vitality. Please plan to bring a guest to the membership drive.

The Area Meeting is scheduled for April 8, 1995 at the Cherry Creek Inn starting at 8:00 a.m. Registration commences at 7:30. Information will be sent to you about the Area Meeting. Also, Judy Allen, our Area Director, will attend our March Meeting to give us more information. Please mark your calendars and plan to attend.

The Zonta Club of Aurora has decided to disband. There are several of their members who are interested in joining another club. Some of them may be attending our March membership drive to get to know us.

Some upcoming items to think about. We need a new location for the Retreat as the Evergreen Center is no longer available. If you have any ideas, please contact Jeannie Snider.

We will be electing the nominating committee at the February meeting. Since the slate will be read in March, the Committee will have only a month to complete its work. Please start thinking whether you'd like to serve on the committee, be an officer or a director as well as nominations of other members. I look forward to seeing you at the Amelia Earhart Dinner.

Bonnie

#### ZONTA PROFILE

Susanna Lienhard was born in Zurich, Switzerland and moved to the United States when she was eight years old. She grew up in New Jersey and went to college in Maine. She got her Masters Degree from the University of Denver. She has lived in Denver since 1972.

She has worked in both the public and the private sector. She is a Finance Specialist with the Colorado Department of Local Affairs, Division of Local Government which is an agency that provides technical assistance in many areas to Colorado's 1800 plus local governments. A wonderful benefit for working for the state government is the ability to travel throughout the state several times a year. She became a Zontian through her professional contact and personal friendship with Sue Burch. She enjoys gardening, hiking and skiing and literature, theatre, and movies and when time and finances permit, travel.

**\* PRESIDENT'S CORNER \* Bonnie Bell \* 296-1999 \***

I want to start by wishing everyone a joyous holiday season. As this hectic time of year progresses I hope you find time for enjoyment and relaxation.

Congratulations to the Finance Committee and to each of you for a very successful Poinsettia Sale. Although the final dollar figures are not in, we sold over 1800 items! Special thanks to Carol Hadd and Jeannie Snider for your hard work in organizing our orders and also to the members of the Committee: Wendy Albers, Sue Burch, Mary Ehrets, Ann Meyer, Terri Otley and Susanna Lienhard. I look forward to celebrating yet another successful sale at our Holiday Party.

The Amelia Earhart Dinner is Tuesday, January 17th at the Arvada Center for the Performing Arts. There will be a silent auction. This will take the place of our January Meeting so please plan to attend.

I still need someone who is willing to be our AMELIA EARHART CHAIRMAN. I have several volunteers who have worked the auction before but I need an organizer. If you are interested please let me know. This is a great opportunity for one of our newer members.

Please remember that we have moved our spring meetings around. Our February Meeting will be our Disbursement Meeting. The Membership Drive will be in March. The Service Committee will be needing proposals for distributions in January so PLEASE let prospective recipients know that we have moved up our deadline.

I am looking forward to seeing you on the 15th. Heather Fox and her daughter are planning a wonderful party for us. We will be taking donations for a gift for SafeHouse. Candy is finalizing the information on this. It's a wonderful time to get together, relax and celebrate the upcoming holidays. I look forward to seeing all of you there.

Bonnie

**ZONTA PROFILE**

Mary Price Birk was born in San Francisco and her family hails from North Dakota. Her father was a pilot in the Air Force, therefore her family moved all over the country and also lived overseas. They kept their residency in North Dakota and Mary returned to this state for a college law school at the University of North Dakota, where she met her husband David.

After graduation from law school in 1980, the couple moved to Denver. They are proud parents of two sons - eleven and thirteen years old. Mary is an attorney at Baker and Hostetler. She became a Zontian through her friendship with Kathy Dean -also at the same law firm. SafeHouse is her Zonta specific project. Special interests: gardening and reading mysteries!

\* SERVICE AND LITERACY COMMITTEES \*

Candy Meininger (698-3838)

Mary Moser (830-2400) \*

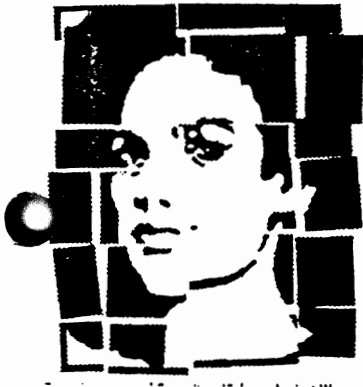

We did a great job selling poinsettias and now we need to have recommendations for disbursing the money. If you know of a non-profit organization that needs a solicitation form to be eligible for distribution of funds, please let me know.

Many thanks to Olivia DeCroce, Gail Pringle, Kathy Dean, Heather Fox, Carol Hadd, Sharon Faircloth, Jeannie Snider, Ed Snider, Emma Hanson, and John Hanson for their help with the SafeHouse Christmas Cards. We were so organized that 14,000 were done in about 3 3/4 hours. I really appreciate the commitment. I also appreciate those who were willing to take cards home and do them. Maybe next time??

In the past, we have helped SafeHouse celebrate Christmas, either with gifts for women and children or a gift for the house. If you are interested again this year, I will be collecting \$5.00 from any member at the Christmas Party willing to participate. SafeHouse is in need of two or three frying pans for a commercial stove (large burners) and also drapes and lamps for their living room. Let's remember the joy of giving and the Christmas Spirit!

Candy

P. S. Did you know SafeHouse raised a total of \$9,999.00 in specified pledges from the two phonathons????

The Zonta International Summit on Violence Against Women seeks to recognize causes, costs and consequences of and initiate action to eradicate all violence against women.

## Z•I•S•V•A•W

*Zonta International Summit  
on Violence Against Women*

**TO:** All Zonta Club Presidents  
**FROM:** The ZISVAW Steering Committee  
**ITEM:** Z\*I\*S\*V\*A\*W UPDATE

As the plans for the ZISVAW progress, Zontians and clubs have asked for more information on the Summit overall with specific interest in the financial aspects. We will address the most frequently asked questions received to date. Please share these with your members.

- + As this is now an international project, who is responsible for the actual planning of ZISVAW? Is it all American Zontians?

The Summit is definitely an international project and will be addressing forms of violence against women that exist in all parts of the world. We are seeking participants and experts from the world as well as Zontians from every country to assist in planning and preparation activities. Because ZISVAW is being held in Washington, DC, the administrative work (hotel planning, etc.) is mainly being handled by Zontians from District 3.

- + Who is responsible for the funding of the Summit - Zonta International or the Zonta International Foundation?

Neither. Yes, ZISVAW is being sponsored by both Zonta International and the Zonta International Foundation but ZISVAW must be self-supporting and will take no funds from either ZI or the ZIF. ZISVAW will be funded by contributions from Zonta members, clubs and districts and especially foundations, corporations and businesses. Therefore, outside funding is critical to ZISVAW's success. If enough money to present ZISVAW is not raised by March 1995, it will be cancelled.

[NOTE: All contributions should be made to the ZI Foundation earmarked ZISVAW. American contributions are tax deductible.]

- + **If a profit is realized from ZISVAW, where will it go?**

All monies remaining after the presentation of ZISVAW will be used to create a separate fund within the ZI Foundation to permit grants to be given to projects, studies, activities addressing the problem of violence against women anywhere in the world.

- + **Will requesting clubs to donate to ZISVAW draw from their contributions to other international service projects?**

It is not intended to take any money from the amounts that clubs will contribute to international service projects but rather have additional donations be made for this special event.

- + **What can clubs and members do to ensure ZISVAW's success?**

- Ask corporations and businesses in your community to contribute to ZISVAW. [Corporate packets are available from headquarters.]
- Contact organizations with an interest in violence against or the status of women. Tell them about ZISVAW and ask for their participation.
- Contact celebrities and experts to participate in ZISVAW.
- Tell everyone about ZISVAW and why it is important to men and women everywhere.
- Make contributions to ZISVAW. Many Zonta clubs assist their local women's shelters. Because ZISVAW aims to eradicate the violence that necessitates women's shelters, clubs might consider taking a portion of their local service money and contributing it to ZISVAW. (We are extremely grateful for the generous donations already made by members, clubs and districts.)
- Members can offer their expertise to the Steering Committee for the planning activities. Especially needed is expertise in Fund Raising, Public Relations, and Program Development.
- Make plans to attend.

ZONTA CLUB OF DENVER II  
MINUTES  
BOARD OF DIRECTORS MEETING  
NOVEMBER 3, 1994

Meeting was called to order by President Bonnie Bell at 12:02 p.m. November 3, 1994. The number of board members present did not constitute a quorum, therefore no issues could be voted upon.

Minutes of the October meeting were read. A motion to approve the minutes as amended was made by Terri Otley and seconded by Candy Meininger. The corrected to the minutes was to change the address where the SafeHouse telephone campaign was to take place.

The Treasurer's report from Terri Otley was approved as read. Terri noted that she will put a note in the next Newsletter for members to submit their back-owed luncheon payments. The Treasurer's report is attached to these minutes.

**Program Committee Report:** Jeannie Snider submitted a notice to be put in the newsletter regarding the next two meetings. The November 17th meeting will be held at the University Club where we will celebrate Zonta's 75th Birthday. The December social meeting will be held December 15th at the home of Heather Fox - the cost will be \$17.50 per person.

Regarding evening meetings without meals planned - Sharon Faircloth suggested that evening meetings be held at an office with catered munchies. It was also noted that Racines had indicated in the past that we could use their private room for such meetings even if dinner was not included.

**Service/Literacy Committee Report:** Candy Meininger stated that volunteers are still needed for the phonathon for SafeHouse next Monday, November 7th. Time involved is 5:30 to 8:30; dinner will be provided for volunteers.

The SafeHouse Christmas card party is planned for Thursday, November 17th at St. John's Cathedral, 1313 Clarkson. Candy is attempting to have the cards delivered ahead of that date so that members who are not able to attend that function and have volunteered their time at home, can participate. She will let everyone know if she is successful.

Candy thanked all the members who assisted with stuffing envelopes for the sweatshirt mailing. Everyone also assisted with an inventory of the remaining sweatshirts and T-shirts.

**Membership/Attendance Committee Report:** Ten invitations were mailed for the last meeting, with only three RSVP's being received - two "no" and one "yes" - who did not show!

Susan suggested contacting all the members who did not attend or RSVP to find out why they did not make it. Possibly a survey should be taken - did they not like the format?, did something come up unexpectedly?, etc. Susan then asked for names for invitations for the next meeting.

**Finance Committee Report:** Carol Hadd stated that as of Monday, October 31st, 384 items had been ordered. The cutoff date is November 17th. She noted that there have been several comments that the December 2nd delivery date is too early this year. Special delivery dates of December 5th and December 8th have been arranged. She also noted that we do not have to have 100 items to have a special delivery date scheduled.

**Community & International Relations and Status of Women Report:** No report.

**Communication Report:** Newsletter deadline is November 4, 1994.

**Sweatshirts:** Terri Otley noted that the final payment was made on the sweatshirts and that we have \$7181.00 in the account after paying that bill.

#### NEW BUSINESS

**Budget:** A copy of the budget has been sent to all Board Members. The Club has three funds: (1) general/operating fund (based on same membership plus 5 new members); (2) service fund (based on previous years); and (3) sweat account (assumed all sweatshirts sold to recover the cost). After some discussion on the budget presented by Terri, a motion to approve was made by Carol Hadd, and seconded by Candy Meininger that the budget be presented to the general membership as submitted.

**National Philanthropy Day:** Brend Farney sent money for a ticket to be given to a member of the Board's choosing. It was decided that the ticket should be given to our Zontian of the Year, Sharon Faircloth. Our Club has two table booked for the luncheon and thus far 18 of the 20 places are reserved.

**Long Range Planning:** The Long Range Planning Questionnaire is due in December. Bonnie requested that all Board Members submit their answers to the questions prior to the next general meeting (November 17th), so that it can be discussed with the membership.

Meeting ajourned.

Submitted by Jeannie Snider, acting secretary.

BOARD OF DIRECTORS MEETING  
OCTOBER 13, 1994

I. CALL TO ORDER: The meeting was held in Bonnie Bell's office at 1999 Broadway, Suite 2305 and was called to order by Bonnie at 11:46 a.m. Also present were Candy Meininger, Carol Hadd, Lorrie Reed, Gail Pringle, Susan Cole, Terri Otley and Joanne Herlihy.

II. APPROVAL/AMENDMENT OF MINUTES OF MAY MEETING: Carol made a Motion that the minutes from the September Board meeting be approved; Joanne seconded the Motion and the Motion passed.

III. TREASURER'S REPORT: Terri noted that we have \$2,522.59 in checking, \$5,766.88 in service and \$1,749.70 in sweat.

IV. COMMITTEE REPORTS:

PROGRAM: Bonnie reported for Jeannie that the October general meeting has been changed from the University Club to Champion Brewing Company and will be an evening format with a social time from 5:30 p.m. to 6 p.m. and the meeting beginning thereafter. Sue Burch will be discussing the pending election referendums. The November general meeting will be a luncheon meeting at the University Club.

SERVICE/LITERACY: Candy reported that the Zonta has won a philanthropic award and a luncheon will be held November 4, 1994, at the Hyatt Regency Tech Center to honor us and four other groups. We have reserved two tables and already have 16 RSVP's.

Safehouse has a number of upcoming projects where we can help. November 10, 1994, will be a Safehouse Newsletter bulk mailing to be held at Safehouse. Safehouse Christmas Card mailing will be November 14th or 15th at Rose Medical Center (lower level) and we should have at least 20 members there. Safehouse also needs help with its Pledgathon on Monday, November 7 from approximately 5:30 p.m. to 9 p.m.. They need help with the phones (script provided) and behind the scenes runners, plus they will provide dinner. This will be held at 555 17th St. Pete Marwick. Additionally, Candy informed us that Safehouse now has a warehouse for donations located at 1215 Elati. It is staffed 8-5 Monday - Friday by George who asks that you call him at 615-9106 before you drop off stuff just to make sure he will be there. Safehouse badly needs kitchen items (dishes, silverware, glasses).

MEMBERSHIP/ATTENDANCE: Gail Pringle said that 9 invitations have been sent for the October meeting and that all but two have been to at least one meeting.

FINANCE: Carol reminded that there are low numbers (300) peppermint patties poinsettias so get our orders in early. She also reported that the plants are looking very nice this year.

COMMUNITY & INTERNATIONAL RELATIONS: Lorrie Reed reported that she has sent out about 20 press releases regarding the poinsettias and one of our press releases was printed in the Littleton Villager.

COMMUNICATIONS: The newsletter deadline is October 14, 1994.

V. NEW BUSINESS OR UPDATES:

DISTRICT CONFERENCE: Bonnie reported that the format was not business geared but rather more informative discussions. The different committees gave presentations on goals for the upcoming year. Also the clubs will be receiving ballots regarding the timing of district dues payments. Bonnie also noted that at the Brainstorming session mention of our annual retreat for strategizing and goal planning was impressive to the other district clubs.

Bonnie reported that we had a miscount at the raffle. We had originally believed that we had raised \$693.00 for the Estonia clubs, but had only received \$593.00. The problem being that the higher number was what was announced at the District Conference and Bonnie had already sent a letter to the Estonia club reflecting this higher number. Terri Otley made a Motion that we give \$100.00 from our discretionary funds to make up the difference, Gail Pringle seconded the Motion and the Motion passed.

Bonnie noted that Sharon Faircloth wanted to receive her Zontian of the Year pin at the October general meeting.

LONG RANGE PLANNING QUESTIONNAIRE: A planning questionnaire was distributed at District Conference that the clubs are to discuss and fill out by December 15.

MEMBERSHIP: Susan Cole reported that Judith Toliver would like to resign from the Board, but would like to remain a member of ZONTA. It was noted that she should send a formal resignation letter so that we could have an open floor nomination and election for a new board member at the October general meeting. It was also noted that Kim King had indicated a need to resign and Terri Tone has resigned. The subject of returning pins after resignation was discussed. It was determined that we should

request the pins back.

SWEATSHIRTS: Terri noted that her client has generously agreed to let us go another month on the bill for the sweatshirts. She also noted that we will be sending out 247 letters (target being 300) with pictures for a direct mailing to clubs for sweatshirts. Candy noted that stuffing would take place and help is requested on Monday or Tuesday at Meininger's, depending on when the pictures come in.

VI. ADJOURNMENT: The meeting was adjourned at 12:42 p.m.

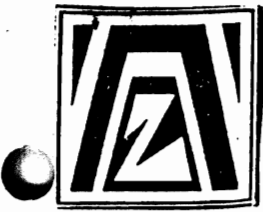

Respectfully submitted,

October, 1994

Volume 9, Number 4

**\* PRESIDENT'S CORNER \* Bonnie Bell \* 296-1999 \***

This is such an exciting time for our club! I am so excited about the National Philanthropic Organization award. I hope each of you is planning on attending the luncheon on November 4. It is a truly special occasion for our club and I hope you are planning on attending. Special thanks to Gail Lorenz and Cindy Cariotti from Safehouse for this unique recognition. Lorrie Reed got the award published in the Littleton newspaper and will be sending information to other papers. Also, the Organization sponsoring the award will be sending press releases and it is hoped that Ernie Bjorkman, the M.C. will get it on the Channel 7 News. This is a wonderful opportunity to get some P.R. for our club and our organization.

I'd like to thank Carol, Jeannie, Pauline, Gail, Lorrie, Candy, Emma, Mary and Sharon for your help with the brunch raffles at District Conference. The table decorations and favors were perfect and were right within the Birthday theme. It was nice to see such a great turnout on Sunday and your help was invaluable. Special thanks to Carol for organizing our brunch activities and our Club's poster.

The District Raffle was a success. We raised \$693 for the Estonian Clubs. Everyone was very impressed with Gayl's generous donation and the coat went to Past District Governor Beverly Augustine who loved it. Sonia Parks, the International Representative, made a special point during her closing remarks of complimenting the District on their international work through helping the Estonian Clubs.

A primary emphasis at District Conference was placed on membership retention and orientation and we had several workshops directed at that issue and planning. Susan was there on Saturday to hear some interesting ideas. We did not have any ballot items this year, other than they will be sending us a written ballot to vote on when we pay our District dues, more on that when I get the information. Personally, the highlight of District Conference for me was the presentation of the Zontian of the Year award. Sharon, our Zontian of the Year, was totally surprised, as somebody wouldn't tell her who won! It was a lot of fun.

The District has asked that each Club prepare a long-range planning survey and forward it so that a Long-range plan for the District can be formed. I am enclosing the survey since it asks for our long-range goals as a club. We will be discussing these goals at the Board Meeting on November 3 and then will have a brief discussion during our November meeting. Please look over the survey and get me some of your comments prior to the Board meeting.

There is a lot happening this month, more than I can go into. Please read your newsletter carefully for finance, service and other information. Also, please note that this month our meeting will be an evening meeting. Although we are scheduled to start at 5:30, I am not going to start the business meeting until 6:00 to allow people to get there. Sue Burch will have a timely, informative discussion for us on the upcoming ballot issues. I look forward to seeing you at Champions.

UNITED NATIONS DAY - UN Day is Monday, October 24, 1994. 1994 is the United Nations International Year of the Family. 1995 marks the 50th Anniversary of the UN and ZONTA International has been there since its inception, supporting the work of the UN. One of the ways in which ZONTA supports the UN is through its international service project, UNIFEM, which is funded solely from voluntary contributions. Thus through membership in ZONTA you are an important part of the United Nations.

YOU HAVE A VOICE. YOU MAKE A DIFFERENCE - One of the most important, but neglected ways, that we have a voice in our government is at election time. Tuesday, November 8, 1994, is election day. GO TO THE POLLS AND VOTE AND TELL YOUR FRIENDS AND FAMILY TO VOTE. This year we are voting for a Governor, a State Attorney General and numerous federal and state legislators. These are the people who will make and implement policies which will govern our lives. In addition, there are a number of ballot issues which will have a significant influence on our future lives. In our day-to-day lives we make important decisions, generally after much research, about who we will trust to handle our finances and about who we will trust in our businesses. Yet elections, to choose politicians and vote on ballot issues, which will have influence over the very framework of our society, are regarded with apathy. The decisions that you make at the polls are not less important than any other decision that you make in your life. If you choose not to vote, you are not just saving a trip to the polls, you are giving up your choice and you are giving up your voice. Change begins with the first step. PLEASE VOTE.

Joanne currently works for a conservative non-profit legal foundation, Mountain State Legal Foundation. She practices natural resources and environmental law, but currently seems to specialize in access to public lands.
